Perfect for classroom labels, playroom signs, science experiments, STEM projects, creative challenges, and all the colorful ideas your imagination can build!

RULES!

You are allowed to:

- Use the font in personal or commercial designs
- Modify or adapt the font for creative use
- Include the font in artwork, branding, and digital/physical products

You are not allowed to:

- Sell or redistribute the font file as-is
- Claim the font as your own original work

USAGE~

Magnetic Mood is a bitmap-style font. It is best suited for small-format designs such as graphics, logos, and digital artwork. Due to its raster nature, it may not scale cleanly to large sizes and is not recommended for large-format applications. This font is provided "as is" without warranty of any kind. Attribution is not required, but always appreciated.
