ABOUT

Rock solid and bursting with flavor! Bedrock Bold blends the caveman fun of Fruity Pebbles cereal with the nostalgic charm of The Flintstones. Molded with bold personality and packed with Stone Age flair, this typeface is a colorful little gem with plenty of pop. Yabba Dabba Delicious for your next design! Best served BIG and made to stand out in headlines, posters and signage. Use it when your project needs a generous helping of color, personality, and larger-than-life fun!

RULES

You are allowed to:

- Use the font in personal or commercial designs
- Modify or adapt the font for creative use
- Include the font in artwork, branding, and digital/physical products

You are not allowed to:

- Sell or redistribute the font file as-is
- Claim the font as your own original work

USAGE

Bedrock Bold is a bitmap-style font. It is best suited for small-format designs such as graphics, logos, and digital artwork. Due to its raster nature, it may not scale cleanly to large sizes and is not recommended for large-format applications. This font is provided “as is” without warranty of any kind. Attribution is not required, but always appreciated.
