ABOUT

Warning: This font may cause cravings! 🍟 Who knew the alphabet could be this tasty? Crinkle Cut is a handcrafted alphabet made entirely from crispy golden fries, serving up a fresh helping of personality with every letter. Whether you're creating restaurant branding, food packaging, party invitations, or just want to make people smile, Crinkle Cut is ready to give any project an extra side of fun.

RULES

You are allowed to:

- Use the font in personal or commercial designs
- Modify or adapt the font for creative use
- Include the font in artwork, branding, and digital/physical products

You are not allowed to:

- Sell or redistribute the font file as-is
- Claim the font as your own original work

USAGE

Crinkle Cut is a bitmap-style font. It is best suited for small-format designs such as graphics, logos, and digital artwork. Due to its raster nature, it may not scale cleanly to large sizes and is not recommended for large-format applications. This font is provided "as is" without warranty of any kind. Attribution is not required, but always appreciated.
