About :)

Remember squishing play dough together as a kid and watching all the colors swirl into something completely mesmerizing? That's the inspiration behind Tie-Dye Swirl! Sculpted by hand, these organic letterforms have colorful marbled texture that allows each character have its own personality. This will give your projects a crafty feel that looks completely unique!

Tie-Dye Swirl HOT mixes vibrant pinks, purples, and reds for a bold burst of color, while Tie-Dye Swirl COLD blends cool blues and greens for a fresh, laid-back vibe.

Whether you're creating party invitations, classroom materials, stickers, kids' products, social media graphics, or just something fun, Tie-Dye Swirl brings a little playful creativity to every project.

Rules*

You are allowed to:

- Use the font in personal or commercial designs
- Modify or adapt the font for creative use
- Include the font in artwork, branding, and digital/physical products

You are not allowed to:

- Sell or redistribute the font file as-is
- Claim the font as your own original work

Usage ©

Tie-Dye Swirl is a bitmap-style font. It is best suited for small-format designs such as graphics, logos, and digital artwork. Due to its raster nature, it may not scale cleanly to large sizes and is not recommended for large-format applications. This font is provided "as is" without warranty of any kind. Attribution is not required, but always appreciated.
